150W 24V Standard Driver

LEDD-IP15024

COM

IP67 | DC 24V | 5 Year

Product Reference: **LEDD-IP15024**

Our fossLED 150 watt LED driver is 24VDC, IP Rated & includes features such as short circuit, overload and thermal protection ensuring a safe and durable product,

Technical Specification:

Output	Ouput Power	150w
	Voltage	24v
	Rated Current	6.25A
Input	Input Voltage Range	200 - 240V
	AC Frequency	47 - 63 Hz
	Power Factor	>0.65
	Efficiency	>92%
	Inrush Current	70A
Environment	Working Temp	-30°C - +70°C
	Store Temp	-40°C - +80°C
Protection	Short Circuit	Hiccup Mode, Auto-recovery after fault condition is removed
	Protection Rating	IP67
	Safety	U8750, EN60950-1, EN 62368-1
	CLASS 2	Yes
	Over Voltage	27-29V Shut down output Voltage, re-power on to recover
