200W 24V Standard Driver

LEDD-IP20024

COM

IP67 | DC 24V | 5 Year

Product Refeence: **LEDD-IP20024**

Our fossLED 200W LED drivers is 24VDC and IP rated & includes features such as short circuit, overload and thermal protection thus ensuring a safe and durable product, for further product information please contact us on 0203 198 1908.

Technical Specification:

Output	Ouput Power	200w
	Voltage	24v
	Rated Current	8.3A
Input	Input Voltage Range	200 - 240V
	AC Frequency	47 - 63 Hz
	Power Factor	>0.65
	Efficiency	>92%
	Inrush Current	70A
Environment	Working Temp	-30°C - +70°C
	Store Temp	-40°C - +80°C
Protection	Short Circuit	Hiccup Mode, Auto-recovery after fault condition is removed
	Protection Rating	IP67
	SELV / ERP / EMC / LVD / UKCA / CLASS 2	Yes
	Over Voltage	26-28V Shut down output Voltage, re-power on to recover
