30W 24v Standard Driver

LEDD-IP3024

COM

IP67 | DC 24V | 3 Year

Product Reference: LEDD-IP3024

FOSS Standard Drivers are compatible with all 24v LED Strip products and controllers and feature an IP67 casing for good heat dissipation and increased longevity ; for further information please contact us on 0203 198 1908.

Technical Specification:

Output	Ouput Power	30w
	Voltage	24v
	Rated Current	1.25A
Input	Input Voltage Range	170 - 265V
	AC Frequency	47 - 63 Hz
	Power Factor	>0.55
	Efficiency	>83%
	AC Current	0.25A
Environment	Working Temp	-30°C - +55°C
	Store Temp	-40°C - +85°C
Protection	Short Circuit	Hiccup Mode, recover after fault condition is removed
	Protection Rating	IP67
	SELV	Yes
	Overload	100-130% Shut down O/P voltage, repower onto recover
